

## SOLD! CABOCHON - 92' HOOD/FONTAINE CUSTOM PILOTHOUSE CUTTER

Wellington Yacht Partners is pleased to announce the sale of CABOCHON, the 92' (28 m) Hood/Fontaine Custom Pilothouse Cruising Cutter. Dolf Haffenreffer of Wellington Yachts represented the Buyer and Chet Hartshorn of Wellington Yachts acted as Co-Listing Agent.

Designed for global adventuring, CABOCHON has a raised pilothouse with inside steering station, shoal draft and a foil-shaped centerboard for upwind performance under sail. Construction is fiberglass with laminates of Kevlar for strength and rigidity. With her Hood/Fontaine low-wetted surface hull form, there is unparalleled volume below-decks.

CABOCHON's spacious accommodations and living space are rarely found in a sailboat of her size, especially one that sails like her and that captures the eye with such flowing and beautiful lines. She sleeps six adults and two children in the owner's party -- with three large private staterooms aft, split-level dining/lounge areas amidships, and two en-suite cabins forward of the galley for crew.
