

DUCHY SPORT

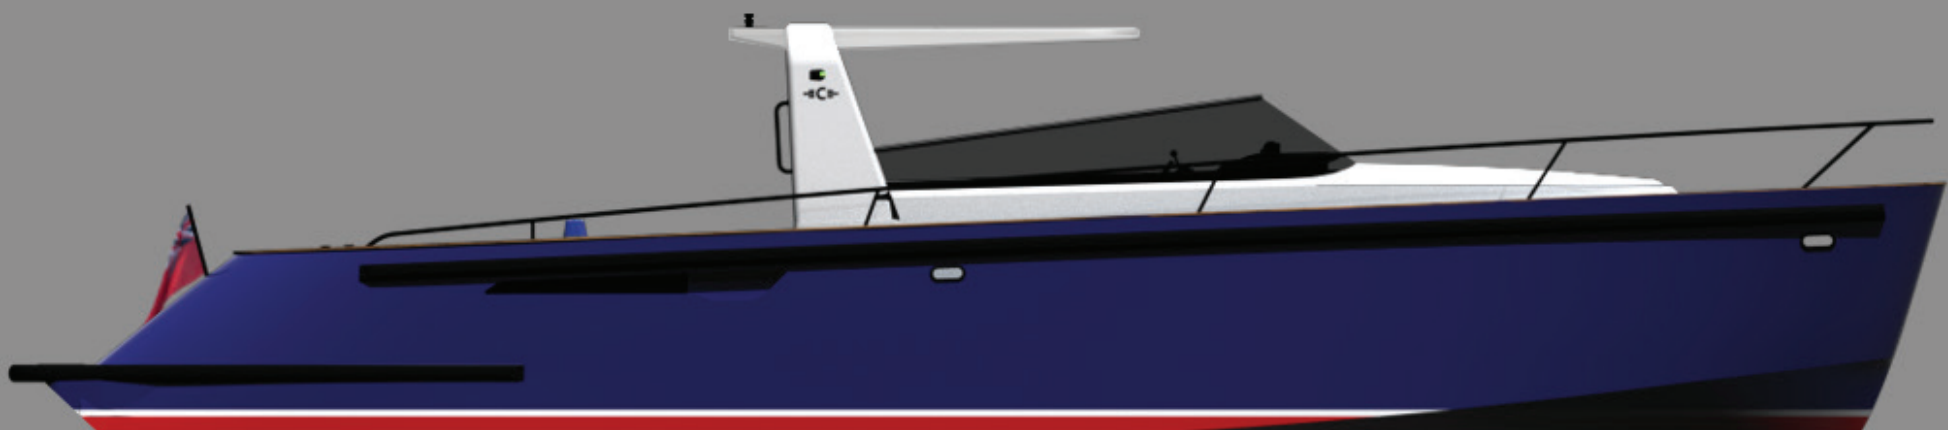

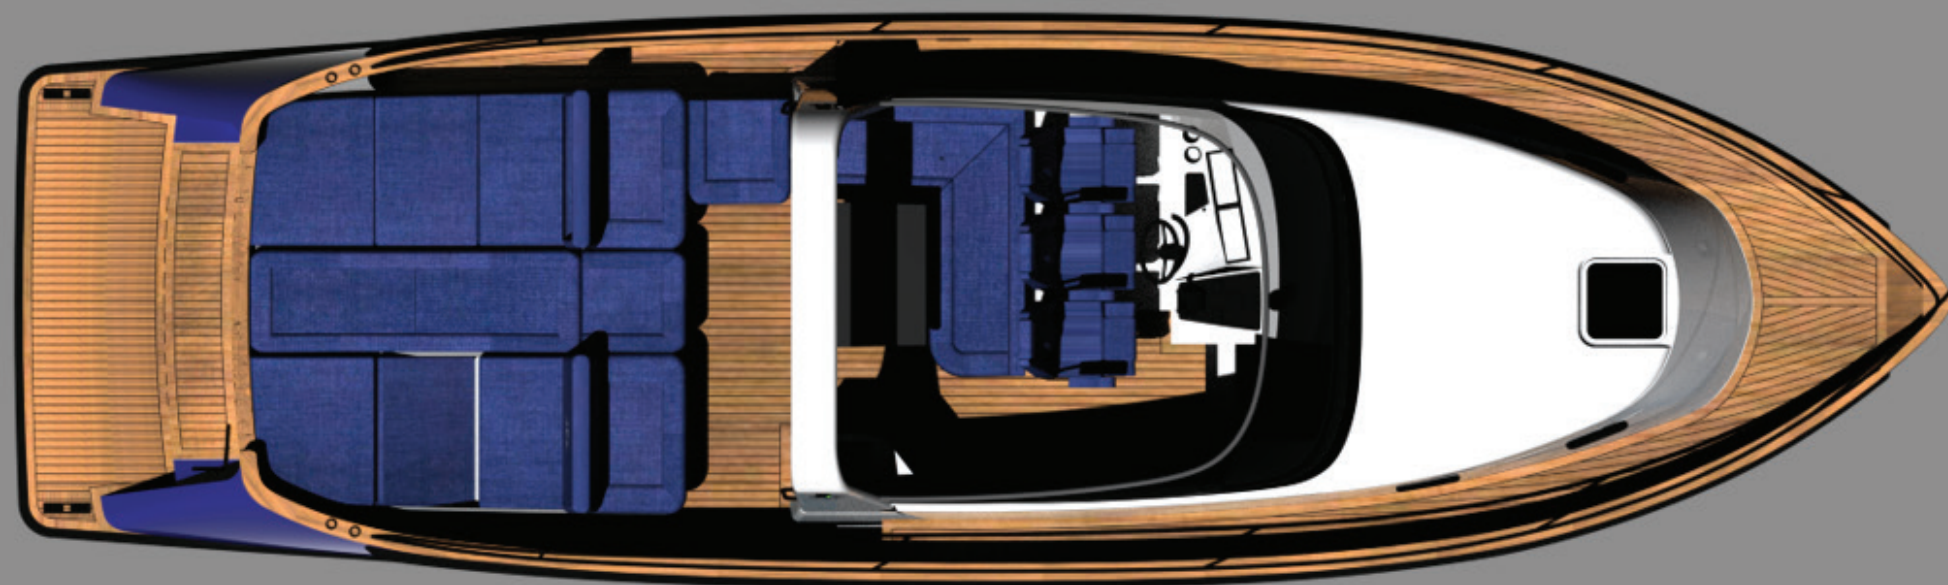

Elevating the flair of the Duchy brand to the next level, the Duchy Sport enables a range of watersports to be undertaken by the whole family or a group of friends. As well as creating the perfect wave to surf, she features multiple towing points for wakeboards and inflatables, and delivers every conceivable comfort for up to nine guests - from sunbeds and a wet bar to a forward cabin with day heads and a galley - all with high-end finesse that you would expect from Cockwells.

An expansive bimini supplies shade from the sun's rays and supports removable awnings for all kinds of weather protection. Adjustable aft sunbed provide comfortable seating around the dining table for up to eight guests or a seabird's eye view of the on-the-water action from the deck. When it is time to cool off, aft steps leading to a bathing platform and large swim ladder enable easy access to azure waters. A Seakeeper holds the craft steady even at its top speed of 42 knots. Ample stowage for watersports toys in the aft steps and multiple storage hatches in the cockpit.
