

DUCHY 25

The Duchy 25 highlights the growing trend towards outboard engines, providing a versatile and high-performance power option. Featuring elegant hull lines and a flawless finish, the Duchy 25 beautifully merges aesthetics with power and capability.

Envision the limitless possibilities of owning your very own Duchy 25. With a range of optional extras available, you can customize it to reflect your unique preferences.

Many attractive features include built-in cockpit seating all around, twin helm/passage seats, and a very spacious interior more than adequate for occasional weekend overnight.

Stay tuned for more details about this exciting new model, designed by the renowned team at Cockwells. The Duchy 25 is currently in development, and we can't wait to share all the specifics with you soon.
